**OMEGA-CAMDEN COPPER BASE PRICE NOTICE**

**TO OUR CUSTOMERS:**

Since the last copper price update letter of August 14th, 2009, the copper price fell back by 10 cents, rallied by 18.5cents, and then dropped by 11.5. The Chinese stock market has recently been on a marked downtrend hinting that prices there may have run ahead of basic valuations.

World copper inventories in exchange warehouses increased by 35.70 million pounds (Comex - 0.82), (LME + 13.33), and (Shanghai + 23.19).

Effective with shipments of September 1st, 2009, and until further notice, the Omega-Camden copper base will be \$ 308.00 per cwt.

The Platts Metals Week NY Dealer Average Tin Price for the month of August, 2009 came in at.....(will be communicated in the AM on September 1<sup>st</sup>).

We are proud to announce the launching of our brand new website [www.internationalwiregroup.com](http://www.internationalwiregroup.com). The copper base price and monthly tin and copper averages will be regularly posted there, in addition to a wealth of other information that is available on the site.

As always, we will continue our regular review of the copper and metal markets and will keep you informed of developments.

Sincerely yours,

Chrys Makarushka
