IEWC ANNOUNCES NEW DISTRIBUTION CENTER IN EL PASO, TX

Milwaukee, Wisconsin – IEWC is pleased to announce the launch of its new distribution facility in El Paso, Texas on April 1, 2016. Shipping from this facility will begin on April 25 with full utilization planned by May 23. This 22,400 square foot facility increases IEWC's capacity to service its customers' wire, cable and wire management product needs with increased local inventory and shipping capabilities.

Jim Wojan, IEWC Chief Operating Officer commented, "This is an exciting time for expansion. IEWC is looking forward to extending our services and distribution footprint into El Paso."

"El Paso qualifies as an excellent location to establish a new distribution center," stated Marie-Claude Milot, OEM NA West Business Unit Director. "IEWC's new El Paso location will continue to strengthen our presence in the southern United States and ensure our customers continue to receive the unparalleled customer service they've come to expect from IEWC."

IEWC's new distribution office is located at:

IEWC El Paso
11801 Miriam Drive, B6 & B8
El Paso, TX 79936

If you have any questions or concerns regarding this change, please contact your local representative or Marie-Claude Milot, OEM NA West Business Unit Director, at 262.957.1187 or via email at mmilot@iewc.com.
